

Spanish 1 - Course Syllabus

Description:

Throughout this course, Spanish 1 empowers students by helping them realize the advantages of mastering another language—equipping them with the ability to communicate with confidence, experience other cultures and countries, and to participate in our global society. Whether the destination is another country, a better understanding of people and other cultures, or new avenues for career options, language takes you there. This course is packed with useful educational enhancements, such as “click-on” audio features, reinforcing videos, and fun interactivities to help students maximize their learning.
